58m 39s 0ms	I created a nexus show some weeks ago and I am looking at it right now. But the button positions on the screen in the PST demo are different from what I am finding on my own older file. is this a version issue?	John Christie	🎉 Nexus has received a major update from its previous proof-of-concept UI. New projects will open in the new UI, while old projects will still be able to be viewed and edited in the old UI.	12/22/22 13:16	12/22/22 13:20
